Stingers

Upcoming Events

The regular season will go right down to the wire for the **Concordia men's hockey team**. With two games remaining (Ottawa on Friday at 7:30 p.m. and McGill on Saturday at 3 p.m.) the Stingers have an 11-11-2 record, which is good for 24 points. However, the Gee-Gees have 25 points and the Redmen have 28 points. Only two of these teams will advance to the OUAA Far East Division playoffs. There are many possibilities heading into this weekend's action. If the Stingers win both games, they could finish in second place, while one loss could eliminate them.

Both Concordia's games will be played at home. Get your tickets early. There should be great crowds for what will likely be a great finish to the Stingers regular season.
